Holy Twisted Sister Batman. Identical TWINS! Twin heifers no less. Miss April Wine actually delivered a set of heifer triplets- which is practically unheard of- but sadly one baby girl didn't survive birth. We're feeling doubleblessed with the two little speckled sisters that made it and mama is doing just fine and looking great- what a trooper. Dam has a bag on her like a traveling gypsy and is being an excellent mama so think they'll be well taken
