FL FAITH HILL

Breeder: FIEBRICH LONGHORNS

Owner: DIRT ROAD CATTLE COMPANY

We've been patiently (not) waiting for this first calf out of Reba and Jest Command and its a gorgeous baby girl! With grand-dams like Jester (over 91" TTT) and Lady Overluck (over 85" TTT) she's got a pedigree that would make a Kennedy blush. Already turning darker as she ages- as we all do. This young gal combines Overlyn's twist genetics with the massive horn producing line of BL Rio Catchit and Cowboy Chex. Gorgeous, eye-catching
