Her Dam, Dreamstreet, always delivers incredible size, color and horn in her calves but she rarely gives us a heifer.....and BOOM! Finally another beautiful spotted baby girl out of her by Jest Command. Awesome genetic package here with line bred Shadow on the bottom and HCR x Jester on the top. Just a baby girl but she has very impressive horn growth for her age and they're twisting back hard. Very cool and unique spots and starting to

**TTT:** 50.0000 on 06/08/2024
