

REBA'S HEIFER

Date of Birth: 05/15/2025
Registration 1: Pending

Courtesy of Fiebrich Longhorns

Who in their right mind doesn't appreciate a pretty blonde? This baby girl has all the very best massive horn and twist genetics in the industry and we're loving her coloring. This might actually be the very first brindle calf raised at Fiebrich Longhorns and we're excited to see her color and growth develop.
