Roan is absolutely my favorite flavour... except in tacos. This handsome guy is stunning, tri-colored and speckling up more every time I see him. With all the 70, 80 and 90" cattle in his pedigree, his horn potential comes with a pretty solid lifetime guarantee. With sire powers like Hunts Command Respect and Overkill, mixed with one of the top cows in the industry, Jester, he will be an amazing steer that is already showing low swooping lateral twist.
